be taken up during the ten days' sessions of the two organizations. Only
routine matters were disposed of today.
President John C. Sullivan of the State
Federation of Labor and President C. C.
Coates of the Denver Labor and Trades
assembly welcomed the miners' convention and President Moyer and Secretary-Treasurer Haywood delivered
short addresses in response. The body
then took up the matter of appointing
a credentials committee.

Among the important questions to be
considered will be that of an eight-hour
day throughout the jurisdiction of the
federation. There is little doubt that
the convention will enact an amendment to its constitution making an
eight-hour day mandatory upon all the
unions of the federation.

Another question of moment to be
considered is the appropriation of \$100.

New York May go East.

With the exception of the armored cruiser New York the other vessels of the Pacific squadron, consisting of the Boston, Marbiehead and Ranger, can be docked at the Mare Island yard. If it is necessary to keep ships away from Bremerton the New York probably will come to Atlantic waters sooner than was intended, for a complete overheauling, which will require two years' work. If temporary repairs can be made at Bremerton the New York will remain on the Pacific coast for another year. When recommissioned the New York will be attached to the new European cruiser squadron.

MAYOR IS OVERRULED

It Has Right to Appoint Officers.

(Special to The Heraid.)

Provo, May 25.—At the meeting of the city council this evening Mayor Taylor presented a communication appointing Myron C. Newell to fill the unexpired term occasioned by the resignation of Marshal Tucker and which takes effect June I. Mayor Taylor is a Democrat, as is also the appointee. The majority of the council are Republicans, and they claim that the mayor has no authority to appoint a man to fill the vacancy, but that the authority rests with the council. They therefore tabled the communication. The council adjourned until mext Wednesday, when it will appoint a successor to Marshal Tucker.

WEAK MEN CAN BE CURED

Those who are "only half men" can be made the most perfect specimens of physical manhood by wearing Dr. McLaughlin's Electric Belt. It is worn for set or eight hours daily, mostly during sleep. It pours a glowing stream of electric Energy into the weakened nerves, filling them with the vigor of youth. From the first day a new spirit of manhood is felt in the veins, the joyous ambition of youth springs forth and you are a man among men.

DR. McLAUGHLIN'S ELECTRIC BELT

has made thousands of homes happy. It is as good for women as for men. Man and wife can use the same belt. The regulator makes it strong or mild to suit the wearer. It is the only Electric Belt in the world that can be regulated while on the body. You feel the power, but it does not burn or blister as do the old style bare metal electrode belts. If you are weak or in pain it will cure you. Will you try it??

I will send you my beautifully illustrated book with full information free. Write now. Don't delay.
